ANNEXURE- 1

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

1. BUSINESS ENVIRONMENT, INDUSTRY STRUCTURE AND DEVELOPMENTS:

The Indian tourism market is fast growing with immense potential due to the country's rich cultural and geographical diversity. India ranks 3rd in World Travel & Tourism Council's list for Travel & Tourism Power and Performance. It markedly improved its position from the 40th rank in 2018 to 34th in 2019 in the World Economic Forum's Travel and Tourism Competitive Index.

Much like the rest of the world, the Indian economy has been deeply affected by the impact of the COVID-19 pandemic with it's far reaching consequences on economic and social life. The lockdown in India that was imposed on 24th March, 2020 has had an unprecedented impact on the economy owing to a steep fall in demand as well as supply.

Foreign Tourist Arrival footfall in India, particularly that of leisure travellers, started softening in February 2020, as COVID-19 spread across the globe. Although domestic flights resumed in June 2020, the restrictions on the entry of international travellers means that Foreign Tourist Arrival is not about to pick up any time soon. Even though some countries are reopening, travel bans are expected to be rolled down only by the end of the year. The situation may not improve drastically for the hospitality sector. Except for the smaller-sized hotels, which are now covered under the MSME (micro, small and medium-sized enterprises) the hospitality sector in India has not benefited from the stimulus packages rolled out by the government.

2. OPPORTUNITIES, THREATS, RISK AND CONCERNS:

Due to COVID-19 pandemic, the Government of India undertook a series of measures to contain the outbreak, which included imposing multiple lockdowns across the country. Governments all across the globe had undertaken similar measures since February and March, 2020. The lockdowns and restrictions imposed on various activities, have posed a serious challenge to the businesses of the Company, given the mandated closure of hotel operations and cessation of air traffic and other forms of public transport. This has resulted in low occupancies/shutdown of hotels.

The process of lifting the lockdown in various states has since started in phases effective 1st June 2020 as per the guidelines issued by the Central Government, State Government and Local Authorities; although during a major part of this lockdown period, hotel and flight operations were mandated to remain non-operational across India. We expect domestic travel to gradually pick up as the lockdown in various cities in India is lifted. Further, once border restrictions are lifted, we expect international travel to also progressively resume.

The Company have taken various initiatives to protect the Health and Safety of Guests and Employees. All precautions based on World Health Organisation Guidelines and directions of the Central and State Governments have been implemented and are being strictly adhered to.

3. DETAIL OF SIGNIFICANT CHANGES IN KEY FINANCIAL RATIOS:

- (i) The Company has opted for moratorium from repayment of term loan up to the end of August, 2020 and accordingly current liabilities has reduced to that extent giving a significant decrease in current liabilities, further due to COVID-19 payment from some of the big customer could not be realized before balance sheet date giving significant rise current assets over the previous period the combined effect of above is reflected in Current Ratio improved by 108%.
- (ii) On account of lockdown and travel restrictions imposed by the Government of India as well other countries to avoid spread of COVID-19 pandemic, the revenue of the Company contracted sharply in last quarter of the year, the outbreak was so sudden that Company was not able to bring its expense down in line with the revenue, this brings the Gross and Net profit of the company significantly down. Therefore, Return on Net Worth of the Company was also decreased by 26.65%, due to lower net profit.

4. FINANCIAL AND OPERATIONAL PERFORMANCE:

The total revenue of your Company for the year 2019-20 was decreased to ₹ 2631.87 Lakh as against ₹ 2954.68 Lakh of the previous year. Net Profit after tax of the Company was also decreased to ₹ 126.14 Lakh as against ₹ 176.81 Lakh of the previous year.

5. FUTURE PROSPECTS:

The impact of COVID-19 on the hospitality sector is likely to constrain supply in the near term, which is expected to trigger growth in occupancy levels and rates once consumer and business confidence returns post this crisis. We believe that with the demographic dividend of the country, the vast and widespread tourism landscape, forts and palaces, wellness retreats, wildlife sanctuaries, tea and coffee plantations, hill stations, deserts and seas, the cultural, religious and spiritual destinations which makes India a nation so rich and diverse, the opportunity for hospitality and tourism to flourish and drive employment and foster economic growth will help overcome any short and medium term impediments.

With the lifting of lockdown restrictions, The Company has started reopening a hotel in the month of June, 2020 after establishing thorough and well-rehearsed safety protocols. The Hotel of the Company to become operational in a phased manner after the lockdown is lifted and the confidence of travellers is restored. However, it expects demand for its services to pick up at a slow pace. Business recovery is likely to be driven by domestic leisure tourism, staycations, domestic business travel and limited international travel. The trust that the Company's brands enjoy help it gain market share as and when the economy revives.

6. ADEQUACY OF INTERNAL CONTROL SYSTEM:

The Company has proper, strong, independent and adequate internal control systems to ensure that all assets are safeguarded and protected against loss from unauthorized use or disposition and that transaction are authorized, recorded and reported correctly. The internal control systems are supplemented by an extensive programme of internal audits reviewed by management and documented policies, guidelines and procedures. The internal control systems of the Company are designed to ensure that the financial and other records are reliable, for preparing financial statements and other data, and for maintaining accountability of assets.

7. HUMAN RESOURCE DEVELOPMENT:

The manpower employed in your Company for 2019-20 was 203 employees.

The Company depends extensively on its human assets and consider this as one of the most precious asset and not affordable to lose.

Your Company has a team of able and experienced industry professionals. Your company always believe to invest in human resources by means of providing various facilities, with a view to strengthen its presence in existing business and for taking advantage of the emerging growth opportunities in the hospitality sector. Your Company seeks regular feedback from its employees to ascertain their levels of satisfaction and to ensure that employees' morale and motivation are constantly improved. Critical human resource issues are analysed, corrective actions initiated and results monitored regularly. In order to preserve competent employees and to provide homely environment, your Company has arranged monthly staff function, religious programs, picnic tours, etc. Human resource is drawn from diverse academic backgrounds and the Company has placed emphasis on recruiting people with formal training that matches their job profile.

8. CAUTIONARY STATEMENT:

Certain statements made in the Management discussion and analysis report, describing the Company's objectives, projections, estimates, predictions and expectations may be forward looking statements, within the meaning of applicable securities law and regulations and actual results may differ materially from those expressed or implied. Significant factors that make differences to Company's operations include competition, changes in Government policies and regulations, tax regimes and economic development within India. The Company assumes no responsibility to publicly amend, modify or revise any forward looking statements, on the basis of any subsequent development, information or events or otherwise.

FORM NO. MR-3 SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2020

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,

The Members.

H S India Limited

CIN: L55100MH1989PLC053417 Unit No. 202, Morya Blue Moon, Off New Link Road, Andheri West, Mumbai – 400 053, Maharashtra

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **H S India Limited** (hereinafter called the "Company"). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2020, complied with the statutory provisions of the applicable acts listed hereunder and also that the Company has proper Board-processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2020 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder.
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure requirements) Regulations, 2009 (Not applicable as the Company has not issued any securities):
 - (d) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999 and The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014 (Not applicable as the Company has not formulated any Employee Stock Option Scheme and Employee Stock Purchase Scheme);

- (e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008 (Not applicable as the Company has not issued any debts securities which were listed);
- (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993, regarding the Companies Act and dealing with client (Not applicable as the Company is not registered as Registrar to an Issue and Share Transfer Agent);
- (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009 (Not applicable as the Company has not opted for delisting); and
- (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998 (Not applicable as the Company has not done any Buyback of Securities).
- (vi) Other laws as applicable specifically to the Company:
 - (a) Food Safety and Standards Act, 2006 and the Rules framed thereunder.

I have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards (with respect to Board and General Meetings) issued by The Institute of Company Secretaries of India (ICSI),
- (ii) The Listing Agreement entered into by the Company with Stock Exchanges read with SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

During the period under review, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

I further report that

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all Directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance except one Board Meeting dated 24.09.2019 was held by giving shorter notice and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through and proper system is in place which facilitates/ensure to capture and record the dissenting member's views, if any, as part of the minutes.

I further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that during the year, the Company has not taken specific actions/decisions having major bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, etc. referred to above.

Independent Auditor's Report

To,

The Members of

H S INDIA LIMITED

Report on the Financial Statement:

We have audited the accompanying financial statements of H S INDIA LIMITED ("the Company"), which comprise the Balance Sheet as at 31st March, 2020, the Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended and a summary of significant accounting policies and other explanatory information.

Opinion:

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of the affairs of the Company as at 31st March, 2020, the profit and the total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion:

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Companies Act, 2013. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of matter:

We draw attention to Note -31 to the standalone financial statements, which describes the possible effect of uncertainties relating to COVID-2019 pandemic on the Company's financial performance as assessed by the Management.

Our opinion is not modified in respect of the above matter.

Key Audit Matters:

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

2 Impact of COVID-2019 pandemic on Going Concern

The Indian Government has imposed lock-downs across the country from 22 March 2020 up to 30 June 2020. These lockdowns and restrictions due to COVID-2019 pandemic have posed significant challenges to the businesses of the Company. This required the Company to assess impact of COVID-2019 on its operations.

The Company has assessed the impact of COVID-2019 on the future cash flow projections. The Company has also prepared a range of scenarios to estimate financing requirements.

In view of the above, we identified impact of COVID-2019 on going concern as a key audit matter.

Our audit procedures included the following:

 Obtain an understanding of the key controls relating to the Company's forecasting process.

- Obtain an understanding of key assumptions adopted by the Company in preparing the forecasted statement of profit and loss and cash flow and assessed the consistency thereof with our expectations based on our understanding of the Company's business.
- Assessed the forecasted statement of profit and loss and cash flow by considering plausible changes to the key assumptions adopted by the Company.

Performed the following procedures as mitigating factors: Obtained understanding of new borrowing facilities availed subsequent to the year-end.

- Assessed impact of Government's announcement to lift the lockdown restrictions and Company's plan to re-open hotels in a phased manner.
- Assessed disclosures made in the standalone financial statements with regard to the above.

Information Other than the Financial Statements and Auditor's Report Thereon:

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements:

The Company's Board of Directors is responsible for the matters stated in the Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive Income, cash flows and changes in Equity of the company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015 as amended.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind-AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements:

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements:

- 1. As required by Section 143 (3) of the Act, based on our audit we report that:
 - a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended.
 - e) On the basis of written representations received from the directors as on 31st March, 2020 and taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2020, from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure A".
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirement of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid/provided by the Company to its directors during the year is in accordance with the provisions of Section 197 of the Act.
 - h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanation given to us:
 - i. The company does not have any pending litigations which would impact its financial position;
 - ii. The Company did not have any long term contracts including derivative contracts for which there were any material foreseeable losses; and
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
- 2. As required by the Companies (Auditors' Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters on the matters specified in paragraphs 3 and 4 of the Order.

Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub Section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over Financial Reporting of H S India Limited ("the Company") as of 31st March, 2020 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls:

The Company's management is responsible for establishing and maintaining internal financial control based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the adequacy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility:

Our responsibility is to express an opinion on the Company's internal controls over financial reporting based on our audit.

We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ("the Guidance Note") and the Standards on Auditing, issued by the Institute of Chartered Accountants of India and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and both issued by the Institute of Chartered Accountants of India. Those standards and the Guidance note require that we comply with ethical requirements and plan and perform audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exist, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend upon the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting:

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that:

- a) Pertain to the maintenance of records that, in reasonable details, accurately and fairly reflect the transactions and dispositions of the assets of the Company.
- b) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditure of the Company are being made only in accordance with authorization of management and directors of the company; and
- c) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting:

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to the error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion:

Place: Mumbai Date: 29th July, 2020

In our opinion, the company has in all material respects, an adequate internal financial controls systems over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2020, based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal controls stated in the Guidance note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India".

Note '1'- SIGNIFICANT ACCOUNTING POLICIES

A. Corporate Information:

These financial Statements comprise financial statements of H S India Limited ("the Company") for the year ended 31st March, 2020. The Company was incorporated on 12th September, 1989 under the provisions of Companies Act, 1956. The company is into the business of hotels and restaurants. The company is listed on BSE Ltd.

B. Basis of Preparation:

The financial statements of the Company have been prepared in accordance with the provisions of the Companies Act, 2013 and the Indian Accounting Standards ("Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 and amendments thereof issued by Ministry of Corporate Affairs under section 133 of the Companies Act, 2013 and other accounting principles generally accepted in India based on Schedule III of the Companies Act, 2013.

Accounting policies have been consistently applied except where a newly issued Accounting Standard is initially adopted or a revision of an existing Accounting Standard requires a change in accounting policy hitherto in use unless otherwise stated.

C. Use of Estimates:

The preparation of the financial statements in conformity with Ind AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. The Management has considered the possible effects, if any, that may result from the pandemic relating to COVID-2019 on the carrying amounts of its assets. The Management has considered the global economic conditions prevailing as at the date of approval of these financial statements and has used internal and external sources of information to the extent determined by it. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

D. Classification of Assets and Liabilities into current and Non-current:

The company presents its assets and liabilities in the Balance Sheet based on current/non-current classification; an asset is treated as current when it is:

- i) Expected to be realized or intended to be sold or consumed in the normal operating cycle; or
- ii) Held primarily for the purpose of trading; or
- iii) Expected to be realized within twelve months after the reporting period; or
- iv) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is treated as current when it is:

- i) Expected to be settled in the normal operating cycle; or
- ii) Held primarily for the purpose of trading; or
- iii) Expected to be settled within twelve months after the reporting period; or

iv) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

The operating cycle is the time between the acquisition of assets and their realization in cash and cash equivalents. Based on the services rendered and their realizations in cash and cash equivalents, the company has ascertained its operating cycle is twelve months for the purpose of current and non-current classification of assets and liabilities.

E. Property, Plant and Equipment:

Property, Plant and Equipment:

Freehold land is carried at historical cost. All other items of property, plant and equipment are measured at cost less accumulated depreciation and impairment losses, if any. Costs include freight, import duties, non-refundable purchase taxes and other expenses directly attributable to the acquisition of the asset but excludes GST and / or other Taxes against which credit is availed.

Depreciation and Amortisation:

Depreciation is provided on straight line method applying the useful lives as prescribed in part C of the Schedule II to the Companies Act, 2013.

Gains/Losses on disposals/de-recognition of property, plant and equipment are determined by comparing proceeds with carrying amount and these are recognized in Statement of Profit & Loss.

F. Intangible Assets:

Intangible assets are carried at cost, net of credit availed in respect of any taxes and duties, less accumulated amortization.

G. Leases:

The determination of whether an arrangement is (or contains) a finance lease or operating lease is based on the substance of the arrangement at the inception of lease. A lease is classified at the inception date as a finance lease or an operating lease. A lease that transfer substantially all the risks and rewards incidental to ownership to the lessee is classified as finance lease.

Lessee: Leases where the lessor effectively retains substantially all the risks and benefits of ownership of assets over the lease term, are classified as operating leases. Operating lease payments are recognized as an expense in the Statement of Profit and Loss on a straight line basis unless payments to the lessor are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increase.

Lessor: Rental income from operating lease is recognised on a straight line basis over the lease term unless payments to the Company are structured to increase in line with expected general inflation to compensate for the Company's expected inflationary cost increase. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income. Contingent rents are recognised as revenue in the period in which they are earned.

H. Revenue Recognition:

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

Revenue from Rooms, Food and Beverage & Banquets is recognised at the transaction price that is allocated to the performance obligation. Revenue includes room revenue,

food and beverage sale and banquet services which is recognised after completion of service to the customer.

- ii) Other revenue such as laundry income, communication income and other allied services, the revenue has been recognised by reference to the time of service rendered.
- iii) Income from sale of Liquor is recognised at the time of delivery of goods to the customer.
- iv) Rentals are recognized on accrual basis.
- v) Interest income is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable.
- vi) Insurance claims are recognized as and when they are settled / admitted.
- vii) Income stated above is exclusive of taxes collected. Rebates and discounts granted to customers are reduced from revenue.

I. Foreign Exchange Transactions:

The Company's financial statements are presented in Indian Rupee (Rs.), which is also the Company's functional currency.

- a. Initial recognition: Transactions in foreign currencies are initially recorded at the exchange rates (Rs. spot rate) prevailing on the date of the transaction.
- b. Conversion: Foreign currency monetary items are reported at the exchange rates (Rs. spot rate) on Balance Sheet date.
- c. Exchange Difference: Exchange differences arising on the settlement of monetary items, on reporting of such monetary items at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognized as income or expense in the year in which they arise. Foreign currency assets / liabilities are restated at the rates prevailing at the year end and the gain / loss arising out of such restatement is taken to revenue.

J. Inventories:

Inventories of food and beverages and other consumables and operating supplies are measured at cost. Inventories of liquor / wine are valued at the lower of cost and net realisable value.

K. Financial Instruments:

Financial Assets and liabilities are recognised when the Company becomes party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit and loss) are added to or deducted from the fair value measured on initial recognition of financial assets or financial liabilities.

Financial Assets:

Financial assets, other than equity instruments, are subsequently measured at amortised cost, fair value through other comprehensive income or fair value through profit or loss on the basis of both:

- (a) the entity's business model for managing the financial assets; and
- (b) the contractual cash flow characteristics of the financial asset.

(a) Measured at amortised cost:

A financial asset is measured at amortised cost, if it is held within a business model whose objective is to hold the assets in order to collect contractual cash flows and the contractual terms of the financial assets give rise on specified dates to cash flows that are solely payments of principal and interest on the principal outstanding.

(b) Measured at fair value through other comprehensive income (FVOCI):

A financial asset is measured at FVOCI, if it is held within a business model whose objective is achieved by both contractual cash flows and selling such financial asset and the contractual

terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal outstanding.

(c) Measured at fair value through profit or loss (FVTPL):

A financial asset which is not classified in any of the above categories are measured at FVTPL.

Equity Instruments:

All equity instruments are measured at fair value, with value changes recognised in Statement of Profit and Loss, except for those equity investments for which the Company has elected to present the value changes in "Other Comprehensive Income". If sufficient more recent information is not available to measure the fair value of the equity instrument or where the cost represents the best estimate of fair value, in such cases, such equity instruments has been measured at cost.

Impairment:

In accordance with Ind AS 109, the Company uses 'Expected Credit Loss' (ECL) model, for evaluating impairment of financial assets other than those measured at fair value through profit and loss (FVTPL).

Expected credit losses are measured through a loss allowance at an amount equal to:

- The 12-months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or
- Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument).

For trade receivables Company applies 'simplified approach' which requires expected lifetime losses to be recognised from initial recognition of the receivables. The Company uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date these historical default rates are reviewed and changes in the forward looking estimates are analysed.

For other assets, the Company uses 12 months ECL to provide for impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk full lifetime ECL is used.

Financial Liabilities:

Initial Recognition and measurement:

All financial liabilities are recognized at fair value and in case of loans, net of directly attributable cost. Fees of recurring nature are directly recognised in the Statement of Profit and Loss as finance cost.

Subsequent measurement:

All financial liabilities are recognized at fair value except when the effect of applying it is immaterial and in case of loans, net of directly attributable cost. Fees of recurring nature are directly recognised in the Statement of Profit and Loss as finance cost.

De-recognition of Financial Instruments:

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

Offsetting of financial instruments:

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

L. Impairment of non-financial assets:

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. The Company bases its impairment calculation on detailed budgets and forecast calculations, which are prepared separately for each of the Company's CGUs to which the individual assets are allocated. These budgets and forecast calculations generally cover a period of five years. For longer periods, a long-term growth rate is calculated and applied to project future cash flows after the fifth year. To estimate cash flow projections beyond periods covered by the most recent budgets/forecasts, the Company extrapolates cash flow projections in the budget using a steady or declining growth rate for subsequent years, unless an increasing rate can be justified. Impairment losses of continuing operations, including impairment on inventories, are recognised in the statement of profit and loss. An assessment is made at each reporting date to determine whether there is an indication that previously recognised impairment losses no longer exist or have decreased. If such indication exists, the Company estimates the asset's or CGU's recoverable amount. A previously recognised impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognised. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised for the asset in prior years. Such reversal is recognised in the statement of profit or loss.

M. Fair Value Measurement:

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- (i) In the principal market for the asset or liability, or
- (ii) In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

Level 1: Quoted (unadjusted) prices in active markets for identical assets or liabilities.

Level 2: Other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.

Level 3: Techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by reassessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

N. Employee Benefits:

The Company has following post-employment plans:

(a) Defined benefit plans such a gratuity;

- (b) Defined contribution plans such as Provident fund & Superannuation fund; and
- (c) Other Employee Benefits.

a) Defined-benefit plan:

For defined benefit plans, the cost of providing benefits is determined using the Projected Unit Credit Method, with actuarial valuations being carried out at each balance sheet date. Actuarial gains and losses are recognised in full in the other comprehensive income for the period in which they occur. Past service cost both vested and unvested is recognised as an expense at the earlier of (a) when the plan amendment or curtailment occurs; and (b) when the entity recognises related restructuring cost or termination benefits.

The retirement benefit obligations recognised in the Balance Sheet represents the present value of the defined benefit obligations reduced by the fair value of scheme assets. Any asset resulting from this calculation is limited to the present value of available refunds and reductions in future contributions to the scheme.

b) Defined-contribution plan:

Contributions to defined contribution plans are recognised as expense when employees have rendered services entitling them to such benefits.

c) Other employee benefits:

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related services are recognised as a liability at the present value of the obligation as at the Balance sheet date.

O. Taxes on Income:

The tax expense for the period comprises of current tax and deferred income tax. Tax is recognised in Statement of Profit and Loss, except to the extent that it relates to items recognised in the Other Comprehensive Income or in equity. In which case, the tax is also recognised in Other Comprehensive Income or Equity.

(a) Current Tax:

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the Income Tax authorities, based on tax rates and laws that are applicable for the period of Financial Statement.

(b) Deferred Tax:

Deferred tax is recognised on time differences between the carrying amounts of assets and liabilities in the Financial Statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of Deferred tax liabilities and assets are reviewed at the end of each reporting period.

P. Provisions and Contingencies:

A provision is recognised if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation.

Provisions for onerous contracts are recognized when the expected benefits to be derived by the Company from a contract are lower than the unavoidable costs of meeting the future obligations under the contract.

A disclosure for contingent liabilities is made where there is a possible obligation or a present obligation that may probably not require an outflow of resources or an obligation for which the future outcome cannot be ascertained with reasonable certainty. When there is a possible or a present obligation where the likelihood of outflow of resources is remote, no provision or disclosure is made.

Q. Cash and Cash Equivalents:

Cash and Cash equivalents include cash and cheque in hand, bank balances, demand deposits with banks and other short-term highly liquid investments that are readily convertible to known amounts of cash & which are subject to an insignificant risk of changes in value where original maturity is three months or less.

R. Cash Flow Statement:

Cash flows are reported using the indirect method where by the profit before tax is adjusted for the effect of the transactions of a non-cash nature, any deferrals or accruals of past and future operating cash receipts or payments and items of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the company are segregated.

S. Borrowing Cost:

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of qualifying assets are capitalized as a part of cost of that assets, during the period till all the activities necessary to prepare the qualifying assets for its intended use or sale are complete during the period of time that is required to complete and prepare the assets for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale. Other borrowing costs are recognized as an expense in the period in which they are incurred.

T. Earnings Per Share:

Basic EPS is arrived at based on net profit after tax from continuing operations available to equity shareholders to the weighted average number of equity shares outstanding during the year. The company did not have any potentially dilutive securities in any of the years' represented.

Diluted earnings per share: Diluted earnings per share is calculated by dividing the net profit or loss for the year after tax from continuing operations attributable to equity shareholders by the weighted average number of equity shares outstanding including equity shares which would have been issued on the conversion of all dilutive potential equity shares unless they are considered anti-dilutive in nature.

U. Dividend:

Final dividend on shares are recorded as a liability on the date of approval by the shareholders and interim dividends are recorded as a liability on the date of declaration by the Company's Board of Directors

V. Exceptional Items:

When an item of income or expense within profit or loss from ordinary activity is of such size, nature or incidence that their disclosure is relevant to explain the performance of the Company for the year, the nature and amount of such items is disclosed as exceptional items.

Note '31'- Estimation uncertainty relating to the global health pandemic COVID-2019:

During March 2020, the World Health Organisation declared COVID-2019 to be a pandemic. Consequent to this, Government of India declared a nationwide lock down on March 24, 2020, which has impacted the business activities of the Company. The Company has since resumed its business activities on gradual basis in line with the guidelines issued by the Government authorities. The Company has been taking various precautionary measures to protect employees and their families from COVID-2019. The Company has assessed and considered the impact of this pandemic on carrying amounts of receivables, other assets and its business operations including all relevant internal and external information available up to the date of approval of these financial results. On the basis of such evaluation, the management anticipates some adverse impact on its future cash flows but shall be able to continue as a going concern and meet its obligations as and when they fall due. The impact of COVID-2019 on the Company's financial statements may differ from that estimated as at the date of approval of these financial statements. The Company will continue to monitor future economic conditions for any significant change.

The Company has assessed the potential impact of COVID-2019 on its capital and financial resources, profitability, liquidity position, ability to service debt and other financing arrangements, supply chain and demand for its services. Various steps have been initiated to raise finances from banks and institutions for working capital needs and long term fund requirements.

Subsequent to the reporting date, the Company has opted for moratorium in repayment of installments due up to 31st August 2020. The company has also availed additional finance of Rs. 328 lakh to fulfil its long-term / working capital requirements.

The Company has also assessed the potential impact of COVID-2019 on the carrying value of assets and liabilities appearing in the financial statements of the Company. In developing the assumptions and estimates relating to the future uncertainties in the economic conditions because of this pandemic, the Company as at the date of approval of these Financial statements has used internal and external sources of information and based on current estimates, expects to recover the carrying amounts of these assets. The impact of the global health pandemic may be different from that estimated as at the date of approval of these financial statements and the Company will continue to closely monitor any material changes to future economic conditions.

Based on aforesaid assessment, management believes that as per estimates made conservatively, the Company will continue as a going concern and will be able to discharge its liabilities and realise the carrying amount of its assets as on March 31, 2020.

Note '32'- Financial Risk Management Objectives and Policies:

The Company's principal financial liabilities comprise loans and borrowings, security deposits taken, employee related payables, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include Property, Plant & Equipments, investments, security deposits given, employee advances, trade and other receivables, cash and short-term deposits that derive directly from its operations.

The Company is exposed to market risk, credit risk and liquidity risk. The Company's Board of Directors reviews and sets out policies for managing these risk and monitors suitable actions taken by management to potential adverse effects of such risks on company's operational and financial performance.

A. Market Risk

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in interest rates and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including investments and deposits, payables and loans and borrowings.

a. Interest Rate Risk:

Interest rate risk is the risk that the fair value of future cash flows of the financial instruments will fluctuate because of changes in market interest rates. The Company's exposure to the risk changes in the market interest rates relates primarily to the Company's long-term debt obligation.

| Fixed Rate of Borrowings | 5,65,840 | 8,37,678 |

B. Credit Risk

Credit risk arises from the possibility that the counter party may not be able to settle their obligation as agreed. Customer credit risk is managed by each business unit subject to Company's established policy, procedure and control relating to customer risk management. Further, the Company periodically assesses financial reliability of customers and other counter parties, taking into account the financial condition, current economic trends, and analysis of historical bad debts and ageing of financial assets. Individual risk limits are set and periodically reviewed on the basis of such information.

Financial assets are written off when there is no reasonable expectations of recovery, such debtor failing to engage in a repayment plan with the Company. Where loans or receivables have been written off, the Company continues to engage in enforcement activity to attempt to recover the receivables due. Where recoveries are made, these are recognised as income in the statement of profit and loss.

| Un to 180 days | 2 44 09 373 | 2 34 71 600 |

C. Liquidity Risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure as far as possible that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed condition, without incurring unacceptable losses or risking damage to the Company's reputation. The Management monitors rolling forecasts of the Company's liquidity position on the basis of expected cash flows. The Company's objective is to maintain a balance between continuity of funding and flexibility through the use of surplus funds, bank loans and inter-corporate loans. The table below summarizes the maturity profile of the Company's financial liabilities based on contractual undiscounted payments.
